Connecting matters

This activity has received funding from the European Institute of Innovation and Technology (EIT), a body of the European Union, under the Horizon 2020, the EU Framework Programme for Research and Innovation

TOPSTARS 2019 offers PhD students, Master students and young researchers the chance to have an I&E perspective, becoming not only valuable researchers but potential entrepreneurs by combining the technical expertise with innovation and entrepreneurship experience. TOP STARS Summer School will introduce students to entrepreneurial thinking and behavior, business and innovation processes, high-tech ventures marketing and business model generation techniques.

Application deadline
April 30, 2019
